

Kansas Dressage and Eventing Association Qualifications and Scores Required for the Dressage and Eventing Medal Programs, Horse of the Year and Rider of the Year

KDEA Dressage Medal Program

The medals program is designed to promote riding excellence among our membership. This award is different from all the other awards offered by the association in that it is not an annual award, and the member/rider is not competing against others for this award. The member only needs to complete the requirements of each level to achieve this award, and scores can be earned on multiple horses over many years. Once a member/rider is registered for this award, the registration carries over year to year until the level for which he/she is registered is attained. You must be a member of KDEA at the time you earn and submit your scores.

Horse does not need to be nominated at the time scores are earned, but rider must be a current KDEA member when scores are earned.

Qualifying Scores for the Medals and Certificate may be submitted from

KDEA Schooling Shows

KDEA Western Certificate of Achievement and Medals

The Western Certificate program is designed to promote riding excellence among our membership. This award is different from all the other awards offered by the association in that it is not an annual award, and the member/rider is not competing against others for this award. The member only needs to complete the requirements of each level to achieve this award, and scores can be earned on multiple horses over many years. Once a member/rider is registered for this award, the registration carries over year to year until the level for which he/she is registered is attained. You must be a member of KDEA at the time you earn and submit your scores.

Once rider/member has paid the fee then the registration will carry over year to year until the level has been achieved.

If at the end of the year you have obtained the requirements for Blue Ribbon award then you send in the test sheets and final scores for that level. If you wish to receive a medal, Beginner Novice silver, for example, then those sheets/scores need to be sent in and YOU state what you wish to receive. Again, remember this rolls over from year to year until you achieve an award, then you are eligible for the next level.

KDEA Dressage Horse of the Year (Award Year October 1 to September 30)

The Horse of the Year award is designed to recognize excellence and consistency among our members' dressage horses. Because KDEA recognizes that schooling shows and recognized shows are usually scored differently, this award is determined for each level and is awarded for both schooling and recognized shows. Three (3) scores from 2 different judges are averaged. Your average must be 60% or higher (Western, W/T to Fourth) and 57% or higher Prix St George and above. The following awards will be given, if there are qualifying members who submit the required scores to the Awards chair by the deadline set each year for submission of scores:

Recognized Walk Trot – Junior

Recognized Walk Trot – Senior

Recognized Training through Grand Prix (each level gets an award)

Recognized Western (Intro, Basic, Level 1 and Level 2) –(each level gets an award)

Schooling Walk Trot and Training level – Jr (each level gets award)

Schooling Walk Trot and training level – Sr (each level gets award)

Schooling First through Grand Prix (each level gets an award)

Schooling Western (Intro, Basic, Level 1 and Level 2) (each level gets an award)

Note: Juniors are those who are age 17 or younger

or who turn 18 during the current award year

Note: Rider must be current

KDEA member at the time the score is earned.

The horse with the highest average at each level and type of show will be the winner, and if you win a recognized show award at a particular level, you will not be eligible for Horse of the Year at schooling shows at that same level. This will allow more members to qualify for awards each year.

Qualifying Scores for Horse of the Year may be submitted from:

KDEA Schooling Shows

One score from other local schooling shows (OK, KS and NE)

USDF/USEF Recognized dressage shows

Awards and Requirements (Schooling and Recognized). Members must nominate their horse annually (\$10.00) and state any/all levels they think they will compete; rider must be a KDEA member at the time scores are earned. KDEA Schooling show scores are automatically submitted for you by the show secretary. One non-KDEA schooling show may be submitted for the schooling show award (copy of test or copy of complete show results) Recognized show scores must be submitted to the Awards Chair by the annual award submission date. The Horse of the Year award is determined by averaging at least 3 scores from 2 different judges. Therefore, if a member submits less than 3 scores, they do not qualify; if the member submits more than 3 scores, ALL scores submitted will be averaged. It is therefore suggested that riders turn in the 3 best scores (from 2 different judges) near the end of the award year.

KDEA Event C/T Horse of the Year (Award Year October 1 to September 30)
